

FAQs

Regular registration has ended and registration is closed for a few days while we catch up. Players are not considered fully registered until a birth certificate and medical release form have been properly uploaded in the player's account. Players ages 13U and up also require a head shot of the player only. If you are not sure if you have uploaded these forms correctly, please log back in to your Got Sport account [here](#) using the email address and password you set up when you registered your child. If you need a copy of the medical release form, it can be found [here](#).

Late registration will open later this week and will be \$135 per player. You may pay the \$135 in one payment or divide it into two using the same credit card used upon registration 30 days later. Note that there is a \$5 credit card convenience fee to use this option. No team requests will be honored during late registration, even if you are a returning player from the Spring 2021 season.

All requests for refunds were due Saturday, July 31st per our website and per our registration information when you registered. Refund requests will not be honored unless we cannot play your child on any team.

The coaches meeting is Thursday, August 12th at 7pm at the Brookside Rec Center. At this time the coaches will receive their rosters and begin making contact with players. You should expect to hear from somebody by August 19th. If you do NOT hear from anyone, please contact your age group commissioner (see below for instructions).

Player team requests are just that....requests. The only players who are eligible to make team requests are those who have not played under ANY North Texas Soccer Association for two consecutive seasons. We do our best to honor every request possible but they are not guaranteed. Coaches who are emailing to request certain players be placed on their teams need to go back to the bylaws and read the team formation rules.

The season is set to start on Saturday, September 11th and go through the second week of November. Schedules will be released on Sunday, September 5th. We do our best to play on Saturdays only, but with dual coach conflicts and/or rainout schedules, it is possible that teams may have a Sunday game or weeknight game.

Uniforms will be for new players only and will be distributed by the coaches shortly before games begin. Players need to provide a ball, shin guards, and soccer cleats. Baseball or football cleats with the additional spike at the top will not be permitted. Also, players must remove ALL JEWELRY before each game. Band aids over pierced ears are not permitted.

For all other questions, please contact your age group commissioner by clicking [here](#). Please allow up to 24 hrs for a response and remember that all commissioners are volunteers.
